Please Do Not Flush!

The "flushable wipes" that are becoming popular are also causing problems in sewer systems and lift stations in many cities. The city of Americus is hoping to avoid some of the issues other communities are facing with extra costs to maintain the sewer system due to the issues these wipes are causing.

Besides human waste,
PLEASE, only flush toilet paper!!

REPORTS OF STANDING COMMITTEES: HINRICHS reported on Project Playscape (ballfield). A meeting with the Trusler Foundation has been postponed. HINRICHS was unable to get a current balance in the account with the Emporia Community Foundation due to their office being closed. The fundraiser that was to be held this week end has been postponed until June pending Stay at Home orders. A second date in August is being looked at. NUESSEN reported from the Police Department; the Emporia Police Department at this time is not allowing officers to work outside of their department, until further notice two of our officers will not be available. Officer Herrington and Chief Meyers will work to cover more hours until the department is fully staffed again. BIRK reported from the maintenance department; to date the department has spent \$7,238.42 on gravel. APAC Sheers will be doing the asphalt replacement in the 700 block of Main Street sometime over the next 2 weeks.

ADOPT THE AGENDA: Moved by NUESSEN to approve the agenda. Motion seconded by HINRICHS, 5-0 vote.

1. **SEWER:** *Maintenance/inspection agreement.* Two sealed bids have been received for the following work; annually to clean approximately 14,500 linear feet of sewer line, provide camera inspection of 1,400 feet of sewer line, hydro-clean and vacuum out debris from 2 lift stations and provide a 3-year guarantee against stoppage in each section after cleaning. The agreement is for a 3-year period. Bid 1 from A-1 Pump & Jet: \$26,535.00, (\$8,845.00 annually). The second bid is from Mayer Specialty Services (Goddard, KS) for \$32,194.00, (yr. 1 - \$10,444.00, yr. 2 - \$10,730.00 and yr. 3 - \$11,020.00) for the cleaning and televising of the lines with an additional \$175.00 hr. to clean the lift stations. The bid included additional televising from what was requested in the RFP. Moved by HINRICHS to approve the bid from A-1 with the stipulation the contract hasn't changed. Motion seconded by NUESSEN, 5-0 vote.

2. **ORDINANCE 597:** *Zoning ordinance.* The final draft of the Zoning Ordinance was presented to the council during the March business meeting. Moved by HINRICHS to adopt ordinance no. 597, repealing all previous ordinances. Motion seconded by HAMLIN, 5-0 vote.

3. **ORDINANCE 598:** *Subdivision regulations.* The subdivision regulations are a part of the Zoning Ordinance. A final draft was given to the council during the March business meeting. Moved by NUESSEN to adopt ordinance no. 598. Motion seconded by HAMLIN, 5-0 vote.

4. **ORDINANCE 599:** *Comprehensive Plan.* The final draft of the Comprehensive Plan was given to the council during the March business meeting. The Comprehensive Plan is a plan for the city to move forward with Planning and Zoning. Moved by HAMLIN to adopt ordinance no. 599. Motion seconded by BIRK, 5-0 vote.

5. **MAIN STREET PARKING:** *700 block of Main Street.* The city is replacing the asphalt along the East side of Main Street. The area is marked for diagonal parking. The placement of "No Double Parking Anytime" signs are to be placed along the 700 block on the East side. There are currently several signs already in the area. Consensus of council to place the signs on the decorative solar light poles. City Clerk Johnson has checked with the company where the poles were purchased and there are no concerns hanging the signs on the poles. There are 5 light poles, the signs could be altered every other sign, there are 3 signs.

6. MOWING RELEASE APPLICATIONS: Owners of hay ground are required yearly to apply for a mowing release. Mowing release applications have been received from: Ethel Swift, Roy Miller, Richard Miller, Heath & Lori Maxson and Darold Miller. Moved by HINRICHS to approve the mowing releases for block 66 lots 1-12, block 45 lots 1-12, block 1 lots 1-12, block 22 lots 1-6, block 111 lots 9-12, block 132 & 133 lots 1-12 each, block 99 lots 9-14, E270W700S1/2SE1/4 (101 E. Locust Street). Motion seconded by BURTON, 5-0 vote.

7. DONATION: 1997 Dodge Pickup from USD #251. USD #251 would like to donate to the city a 1997 Dodge pickup, maroon in color. The truck was used by the school district for a snow plow. The truck has a salvage title, liability insurance would run \$375 year. Moved by BIRK to accept the donation from USD #251. Motion seconded by HAMLIN. HAMLIN retracted her second. Motion seconded by HINRICHS. 3-0-2 vote, NUESSEN and HAMLIN abstained.

8. FARMER'S MARKET: Set to begin May 1ST. The Farmer's Market originally scheduled to begin the first of May. Emporia Farmer's Market currently is running the market and plan to postpone until May 29th at the earliest. Updates will be sent as they are available. The organizers are staying in contact with the vendors.

9. CONDEMNATION: Update. At this time code enforcement is working on ordinance violations. There have been a couple demo permits pulled in the trailer parkers. Others will be sent letters that their property is on a list to be condemned. Once we know how the budget will be for the remainder of 2020 the condemnation process will be started.

10. COMPLAINT FILED: A complaint has been filed on the property at 411 Cherry. The complaint lists offensive odors coming from the backyard. City ordinance requires cleanup of animal excrement weekly. There is a basketball goal in the alleyway behind causing those using the alley to get over into the grass to get around it. Police Chief Meyers has spoke to the owner, the owner will move the goal onto his property and keep the back yard clean to prevent smells.

HAMLIN inquired about trash piling up in yards, on porches and around houses. Code enforcement will watch for this and issue warnings and citations if needed.

Moved by HAMLIN to adjourn at 7:54 P.M. Motion seconded by HINRICHS, 5-0 vote.
