STANDARD TRAFFIC ORDINANCE FOR KANSAS CITIES

The *Standard Traffic Ordinance* for Kansas Cities has been published by the League of Kansas Municipalities since 1960. It is designed to provide a comprehensive traffic code for Kansas cities. It does not take effect in a city until the governing body has passed and published an ordinance incorporating it by reference under the authority of and by the procedure prescribed by K.S.A. 12-3009 through 12-3012 and K.S.A. 12-3301 and 12-3302. All citations refer to the Kansas Statutes in effect 7/1/25 unless otherwise noted.

It is not necessary to publish the *Standard Traffic Ordinance* in a newspaper if it is properly incorporated by reference. It is only necessary to publish the incorporating ordinance. The incorporating ordinance may delete articles or sections that the governing body considers unnecessary for the city. The incorporating ordinance may also change sections, but where there is a statutory citation at the end of any section, care should be exercised not to change the language in such a manner as to conflict with the language of the statute (K.S.A. 8-2001).

The *Standard Traffic Ordinance*, in large part, parallels the state traffic act. Additional provisions for local regulations, if any, may be included in the incorporating ordinance. Previous ordinances relating to traffic in conflict with provisions of this standard traffic ordinance and ordinances incorporating earlier editions of the standard traffic ordinance should be repealed by the incorporating ordinance.

There must be at least one official copy of this standard ordinance on file with the city clerk. Enforcing officers should have copies. The blanks on the first page should be filled in on all copies.

There are several blank pages at the end of this book. Newspaper clippings of the incorporating ordinance and subsequent ordinances on traffic may be pasted on these pages. Extra copies of the newspaper should be procured, or reprints arranged for so that copies may be pasted in all copies of the standard ordinance.

A listing of changes made to the Standard Traffic Ordinance for 2025 can be found on page 215 of this edition.

- (2) Vehicular traffic facing a green arrow signal, shown alone or in combination with another indication, may enter the intersection cautiously only to make the movement indicated by such arrow, or such other movement as is permitted by other indications shown at the same time. Such vehicular traffic shall yield the right-of-way to pedestrians lawfully within an adjacent crosswalk and to other traffic lawfully using the intersection.
- (3) Unless otherwise provided by a pedestrian-control signal, as provided in Section 14, pedestrians facing any green signal, except when the sole green signal is a turn arrow, may proceed across the roadway within any marked or unmarked crosswalk.

(b) Steady Yellow Indication.

- (1) Vehicular traffic facing a steady circular yellow or yellow arrow signal is thereby warned that the related green movement is being terminated or that a red indication will be exhibited immediately thereafter when vehicular traffic shall not enter the intersection.
- (2) Pedestrians facing a steady circular yellow or yellow arrow signal, unless otherwise directed by a pedestrian-control signal as provided in Section 14, are thereby advised that there is insufficient time to cross the roadway before a red indication is shown and no pedestrian shall then start to cross the roadway.

(c) Steady Red Indication.

- (1) Vehicular traffic facing a steady circular red or red arrow signal alone shall stop at a clearly marked stop line, but if none, before entering the crosswalk on the near side of the intersection or if none, then before entering the intersection, and shall remain standing until an indication to proceed is shown, except as provided in paragraphs (2), (3), and (4) of this subsection. Any turn provided for in paragraphs (2), (3), and (4) shall be governed by the applicable provisions of Section 49 of this ordinance.

After stopping, the driver shall yield the right-of-way to any vehicle in the intersection or approaching on another roadway so closely as to constitute an immediate hazard during the time such driver is moving across or within the intersection or junction of roadways. Such vehicular traffic shall yield the right-of-way to pedestrians lawfully within an adjacent crosswalk and to other traffic lawfully using the intersection.
- (3) Unless a sign is in place prohibiting a turn, vehicular traffic upon a roadway restricted to one-way traffic facing a steady red signal at the intersection of such roadway with another roadway restricted to one-way traffic which is proceeding to the left of such vehicular traffic, may cautiously enter the

intersection to make a left turn after stopping as required by paragraph (1) of this subsection. After stopping, the driver shall yield the right-of-way to any vehicle in the intersection or approaching on another roadway so closely as to constitute an immediate hazard during the time such driver is moving across or within the intersection or junction of roadways. Such vehicular traffic shall yield the right-of-way to pedestrians lawfully within an adjacent crosswalk and to other traffic lawfully using the intersection.

- (4) The driver of a motorcycle or person riding a bicycle facing any steady red signal, which fails to change to a green light within a reasonable period of time because of a signal malfunction or because the signal has failed to detect the arrival of the motorcycle or bicycle because of its size or weight, shall have the right to proceed subject to the rules stated herein. After stopping, the driver or rider shall yield the right-of-way to any vehicle in or near the intersection or approaching on a roadway so closely as to constitute an immediate hazard during the time such driver or rider is moving across or within the intersection or junction of roadways. Such motorcycle or bicycle traffic shall yield the right-of-way to pedestrians lawfully within an adjacent crosswalk and to other traffic lawfully using the intersection.
- (5) Unless otherwise directed by a pedestrian-control signal as provided in Section 14, pedestrians facing a steady circular red or red arrow signal alone shall not enter the roadway.

- (d) In the event an official traffic-control signal is erected and maintained at a place other than an intersection, the provisions of this section shall be applicable except as to those provisions which by their nature can have no application. Any stop required shall be made at a sign or marking on the pavement indicating where the stop shall be made, but in the absence of any such sign or marking the stop shall be made at the signal.

 - (i) As a condition of any probation granted under this subsection, the person shall serve at least 120 hours of confinement. The hours of confinement shall include at least 48 hours of imprisonment and otherwise may be served by a combination

of: Imprisonment; a work release program, if such work release program requires such person to return to the confinement at the end of each day in the work release program; or a house arrest program pursuant to K.S.A. 2021 Supp. 21-6609, and amendments thereto; and

The person shall be required to follow any recommendation made by the provider after such evaluation, unless otherwise ordered by the court.

- (c) Any person 18 years of age or older convicted of violating this section who had one or more children under the age of 18 years in the vehicle at the time of the offense shall have such person's punishment enhanced by one month of imprisonment. This imprisonment must be served consecutively to any other minimum mandatory penalty imposed for a violation of this section. Any enhanced penalty imposed shall not exceed the maximum sentence allowable by law. During the service of the enhanced penalty, the judge may order the person on house arrest, work release or other conditional release.
- (d) If a person is charged with a violation of subsection (a)(4) or (a)(5), the fact that the person is or has been entitled to use the drug under the laws of this state shall not constitute a defense against the charge.
- (e) The court may establish the terms and time for payment of any fines, fees, assessments and costs imposed pursuant to this section. Any assessment and costs shall be required to be paid not later than 90 days after imposed, and any remainder of the fine shall be paid prior to the final release of the defendant by the court.

The community service ordered by the court shall be required to be performed not later than one year after the fine is imposed or by an earlier date specified by the court. If by the required date the person performs an insufficient amount of community service to reduce to zero the portion of the fine required to be paid by the person, the remaining balance of the fine shall become due on that date.
 - (2) The court may, in its discretion, waive any portion of a fine imposed pursuant to this section, except the \$250 required to be remitted to the state treasurer pursuant to K.S.A. 12-4120(a) upon a showing that the person successfully completed court-ordered education or treatment.

- (g) The court shall electronically report every conviction of a violation of this section and every diversion agreement entered into in lieu of further criminal proceedings on a complaint alleging a violation of this section to the division including any finding regarding the alcohol concentration in the offender's blood or breath. Prior to sentencing under the provisions of this section, the court shall request and shall receive from the division a record of all prior convictions obtained against such person for any violations of any of the motor vehicle laws of this state.
- (h) For the purpose of determining whether a conviction is a first or second conviction in sentencing under this section:
 - (1) Convictions for a violation of this section, K.S.A. 8-1567, and amendments thereto, or a violation of an ordinance of any city or resolution of any county which prohibits the acts that this section prohibits, or entering into a diversion agreement in lieu of further criminal proceedings on a complaint alleging any such violations, shall be taken into account, but only convictions or diversions occurring on or after July 1, 2001. Nothing in this provision shall be construed as preventing any court from considering any convictions or diversions occurring during the person's lifetime in determining the sentence to be imposed within the limits provided for a first, second, third, fourth or subsequent offense;
 - (2) Any convictions for a violation of the following sections occurring during a person's lifetime shall be taken into account:
 - (A) Driving a commercial motor vehicle under the influence, K.S.A. 8-2,144, and amendments thereto, or section 30.1 of this ordinance;
 - (B) Operating a vessel under the influence of alcohol or drugs, K.S.A. 32-1131, and amendments thereto;
 - (C) Involuntary manslaughter while driving under the influence of alcohol or drugs, K.S.A. 21-3442, prior to its repeal, or K.S.A. 21-5405(a) (3) or (a)(5), and amendments thereto;

 - (E) Aggravated vehicular homicide, K.S.A. 21-3405a, prior to its repeal, or vehicular battery, K.S.A. 21-3405b, prior to its repeal, if the crime was committed while committing a violation of K.S.A. 8-1567, and amendments thereto;

- (3) **Conviction** includes:
- (A) Entering into a diversion agreement in lieu of further criminal proceedings on a complaint alleging an offense described in subsection (h)(2); and
 - (B) Conviction of a violation of an ordinance of a city in this state, a resolution of a county in this state or any law of another jurisdiction that would constitute an offense that is comparable to the offense described in subsection (h)(1) or (h)(2);
- (4) Multiple convictions of any crime described in subsection (h)(1) or (h)(2) arising from the same arrest shall only be counted as one conviction;
- (5) It is irrelevant whether an offense occurred before or after conviction for a previous offense; and
- (6) A person may enter into a diversion agreement in lieu of further criminal proceedings for a violation of this section, and amendments thereto, only once during the person's lifetime.
- (i) For the purposes of determining whether an offense is comparable, the following shall be considered:
- (1) The name of the out-of-jurisdiction offense;
 - (2) The elements of the out-of-jurisdiction offense;
 - (3) Whether the out-of-jurisdiction offense prohibits similar conduct prohibited by the closest approximate Kansas offense.

- (k) Upon conviction of a person of a violation of this section, the court may order the convicted person to pay restitution to any victim who suffered loss due to the violation for which the person was convicted.
- (l) Upon the filing of a complaint, citation, or notice to appear alleging a person has violated the acts prohibited by this section, and prior to conviction thereof, a city attorney shall request and shall receive from the:

- (1) Division a record of all prior convictions obtained against such person for any violations of any of the motor vehicle laws of this state; and
 - (2) Kansas bureau of investigation central repository all criminal history record information concerning such person.
- (m) No plea bargaining agreement shall be entered into nor shall any judge approve a plea bargaining agreement entered into for the purpose of permitting a person charged with a violation of this section to avoid the mandatory penalties established by this section. For the purpose of this subsection, entering into a diversion agreement pursuant to K.S.A. 12-4413 *et seq.*, or K.S.A 22-2906 *et seq.*, and amendments thereto, shall not constitute plea bargaining. This subsection shall not be construed to prohibit an amendment or dismissal of any charge where the admissible evidence is not sufficient to support a conviction beyond a reasonable doubt of such charge.
- (n) The alternatives set out in subsection (a) may be pleaded in the alternative, and the city may, but shall not be required to, elect one or more of such alternatives prior to submission of the case to the fact finder.
- (o) As used in this section:
- (1) **Imprisonment** includes any restrained environment in which the court and law enforcement agency intend to retain custody and control of a defendant and such environment has been approved by the board of county commissioners or the governing body of a city.
 - (2) **Drug** includes toxic vapors as such term is defined in K.S.A. 21-5712, and amendments thereto. (K.S.A. 8-1567)

{Editor's Note: Since 2007 the Kansas Legislature has acted to give municipal courts jurisdiction over the felony level offences of Third, Fourth, and Subsequent Driving Under the Influence (DUI), K.S.A. 8-1567(l)(1) and (l)(3). However, K.S.A. 8-1567(m) (2) appears to remove this authority from municipal courts. Because of this apparent conflict, and concerns about sentencing issues and cost, the Editor has determined that Third, Fourth, and Subsequent Driving Under the Influence (DUI) would not be included in this Code. Should a city wish to implement these provisions concerning prosecuting felony level DUI in municipal court, a separate ordinance will need to be adopted.}

Sec. 30.2. Preliminary Breath Test.

- (a) A law enforcement officer may request a person who is operating or attempting to operate a motor vehicle within this state to submit to a preliminary screening test of the person's breath or oral fluid, or both, if the officer has reasonable suspicion to believe that the person has been operating or attempting to operate a vehicle while under the influence of alcohol or drugs or both alcohol and drugs.
- (b) If the person submits to the test, the results shall be used for the purpose of assisting law enforcement officers in determining whether an arrest should be made and whether to request the tests authorized by K.S.A. 8-1001 and amendments thereto. A law enforcement officer may arrest a person based in whole or in part upon the results of a preliminary screening test. Such results shall not be admissible in any civil or criminal action concerning the operation of or attempted operation of a vehicle except to aid the court or hearing officer in determining a challenge to the validity of the arrest or the validity of the request to submit to a test pursuant to K.S.A. 8-1001 and amendments thereto. Following the preliminary screening test, additional tests may be requested pursuant to K.S.A. 8-1001 and amendments thereto.

- (c) Any preliminary screening of a person's breath shall be conducted with a device approved pursuant to K.S.A. 65-1,107, and amendments thereto. - (K.S.A. 8-1012)

Sec. 30.2.1. Reserved for Future Use.

{Editor's Note: K.S.A. 8-1025 was found to be unconstitutional by the Kansas Supreme Court so the Editor has deleted the offense of Refusal to Submit to Alcohol or Drug Test.}

(K.S.A. 8-1017)

{Editor's Note: K.S.A.8-1015(e) seems to provide an exception to K.S.A. 8-1017(a)(4) as replicated in STO section 30.3 (a) (4) with regard to driving an employer's vehicle. However, there are also exceptions to this exception. Please see K.S.A. 8-1015 for further guidance.}

If the owner of a motor vehicle which has been impounded pursuant to Section 30 or Section 105, refuses to pay any towing, impoundment, storage, or other fees relating to the impoundment or immobilization of such vehicle or fails to take possession of such vehicle within 30 days following the date of the expiration of the impoundment period, such vehicle shall be deemed abandoned and the vehicle may be disposed of by the person having possession of such vehicle. If the person having possession of such vehicle is a public agency, disposition of such vehicle shall be in compliance with the procedures for notice and public auction provided by paragraph (2) of subsection (a) of K.S.A. 8-1102, and amendments thereto. If the person having possession of such vehicle is not a public agency, disposition of such vehicle shall be in compliance with K.S.A. 8-1103 through 8-1108, and amendments thereto. (K.S.A. 8-1021)

Sec. 30.5. Commercial Driver's Licenses; Diversion Agreements Not Allowed.

- (a) A driver or a holder of a commercial driver's license may not enter into a diversion agreement in lieu of further criminal proceedings that would prevent such person's conviction for any violation, in any type of motor vehicle, of a state or local traffic control law, except a parking violation, from appearing on the person's record, whether the person was convicted for an offense committed in the state where the person is licensed or another state.

- (b) For purposes of subsection (a), a person shall be considered a holder of a commercial driver's license if the person was a holder of a commercial driver's license at the time the person was arrested or was issued a citation and shall remain a holder of a commercial driver's license even if the person surrenders the commercial driver's license after the arrest or citation.
- (c)
 - (1) A prosecuting attorney as defined in K.S.A. 22-2202, and amendments thereto, shall not mask or defer imposition of judgment or allow an individual to enter into a diversion program that would prevent a commercial learner's permit or commercial driver's license holder's conviction from appearing on the CDLIS driver record of any violation of a local traffic control law that occurred in any type of motor vehicle. The provisions of this subsection shall apply regardless of whether the driver was convicted for an offense committed in the state where the driver is licensed or in any other state.
 - (2) The provisions of this subsection shall not apply to parking, vehicle weight or vehicle defect violations. (K.S.A. 8-2,150)

Sec. 31. Fleeing or Attempting to Elude a Police Officer.

- (a)
 - (1) Any driver of a motor vehicle who knowingly fails or refuses to bring such driver's vehicle to a stop for a pursuing police vehicle or police bicycle, when given visual or audible signal to bring the vehicle to a stop shall be guilty as provided by subsection (c).
 - (2) Any driver of a motor vehicle who knowingly otherwise flees or attempts to elude a pursuing police vehicle or police bicycle, when given visual or audible signal to bring the vehicle to a stop, shall be guilty as provided by subsection (c).
 - (3) It shall be an affirmative defense to any prosecution under subsection (a)(1) that the driver's conduct in violation of such paragraph was caused by such driver's reasonable belief that the vehicle or bicycle pursuing such driver's vehicle is not a police vehicle or police bicycle.
- (b) The signal given by the police officer may be by hand, voice, emergency light, or siren:
 - (1) If the officer giving such signal is within or upon an official police vehicle or police bicycle at the time the signal is given, the vehicle or bicycle shall be appropriately marked showing it to be an official police vehicle or police bicycle; or

- (2) If the office giving such signal is not utilizing an official police vehicle or police bicycle at the time the signal is given, the officer shall be in uniform, prominently displaying such officer's badge of office at the time the signal is given.
- (c) When the person being sentenced for violating subsection (a), the person, shall be imprisoned for not more than six months or fined not to exceed \$1,000, or both when the person being sentenced has no prior convictions for a violation of subsection (a) or K.S.A. 8-1568(b). Every person convicted of violating this section shall be punished by imprisonment not to exceed one year or fined not to exceed \$2,500 or both when the person has one prior conviction for a violation of subsection (a) or K.S.A. 8-1568(b).
- (d) (1) For the purpose of this section **conviction** means a final conviction without regard whether sentence was suspended or probation granted after such conviction. Forfeiture of bail, bond or collateral deposited to secure a defendant's appearance in court, which forfeiture has not been vacated, shall be equivalent to a conviction. For the purpose of determining whether a conviction is a first, second, third or subsequent conviction in sentencing under this section it is irrelevant whether an offense occurred before or after conviction for a previous offense.
- (2) **Appropriately marked** official police vehicle or police bicycle shall include, but not be limited to, any police vehicle or bicycle equipped with functional emergency lights or siren or both and which the emergency lights or siren or both have been activated for the purpose of signaling a driver to stop a motor vehicle. (K.S.A. 8-1568)

- (b) No person shall drive a school bus to or from school, or interschool or intraschool functions or activities, at a speed in excess of the maximum speed limits provided in subsection (a), except that the board of education of any school district may establish by board policy lower maximum speed limits for the operation of such district's school buses. The provisions of this subsection relating to school buses shall apply to buses used for the transportation of students enrolled in community colleges or area vocational schools, when such buses are transporting students to or from school, or functions or activities.
- (c) The maximum speed limits in this section may be altered as authorized in K.S.A. 8-1559 and K.S.A. 8-1560, and amendments thereto. (K.S.A. 8-1558)

- (d) The secretary of transportation and local authorities on highways under their respective jurisdictions may conduct an investigation of any bridge or other elevated structure constituting a part of a highway, and if it shall thereupon find that such structure cannot with safety to itself withstand vehicles traveling at the speed otherwise permissible under this article, the secretary or local authority shall determine and declare the maximum speed of vehicles which such structure can safely withstand, and shall cause or permit suitable signs stating such maximum speed to be erected and maintained not less than one hundred (100) feet before each end of such structure.
- (e) Upon the trial of any person charged with a violation of this section, proof of said determination of the maximum speed by said secretary and the existence of said signs shall constitute conclusive evidence of the maximum speed which can be maintained with safety to such bridge or structure.

(K.S.A. 8-1563)

Sec. 34. Minimum Speed Regulation.

- (a) No person shall drive a motor vehicle at such a slow speed as to impede the normal and reasonable movement of traffic except when reduced speed is necessary for safe operation or in compliance with law.
- (b) Whenever the governing body determines on the basis of an engineering and traffic investigation that slow speeds on any highway or part of a highway consistently impede the normal and reasonable movement of traffic, the governing body may determine and declare a minimum speed limit below which no person shall drive a vehicle except when necessary for safe operation or in compliance with law, and that limit shall be effective when posted upon appropriate fixed or variable signs.
(K.S.A. 8-1561)

Sec. 35. Special Speed Limitation on Motor-Driven Cycle.

No person shall operate any motor-driven cycle at any time mentioned in Section 144 at a speed greater than 35 miles per hour unless such motor-driven cycle is equipped with a head lamp or lamps which are adequate to reveal a person or vehicle at a distance of 300 feet ahead. (K.S.A. 8-1562)

Ref.: Sec. 182.

Sec. 36. Charging Speed Violations. In every charge of violation of any speed regulation in this article, except charges of violations of Section 32, the complaint, also the summons or notice to appear, shall specify the speed at which the defendant is alleged to have driven, also the speed limit applicable within the district or at the location. (K.S.A. 8-1564)

Sec. 37. Racing on Highways. No person shall drive any vehicle in any race, speed competition or contest, drag race or acceleration contest, test of physical endurance, exhibition of speed or acceleration, or for the purpose of making a speed record, and no person shall in any manner participate in any such race, competition, contest, test or exhibition. (K.S.A. 8-1565)

 - (4) Upon a roadway restricted to one-way traffic.
- (b) Upon all roadways any vehicle proceeding at less than the normal speed of traffic at the time and place and under the conditions then existing shall be driven in the right-hand lane then available for traffic, or as close as practicable to the right-hand curb or edge of the roadway, except when overtaking and passing another vehicle proceeding in the same direction, or when preparing for a left turn at an intersection or into a private road or driveway.
- (c) Upon any roadway having four or more lanes for moving traffic and providing for two-way movement of traffic, no vehicle shall be driven to the left of the center line of the roadway, except when authorized by official traffic-control devices, designating certain lanes to the left of the center of the roadway for use by traffic not otherwise permitted to use such lanes, or except as permitted under subsection (a)(2) hereof. Ref.: Sec. 46.

Sec. 38.1. Driving in Defiles or Canyons. The driver of a motor vehicle traveling through defiles or canyons or on highways with steep grades shall hold such motor vehicle under control and as near the right-hand edge of the roadway as reasonably possible and, except when driving entirely to the right of the center of the roadway, shall give audible warning with the horn of such motor vehicle upon approaching any curve where the view is obstructed within a distance of two hundred (200) feet along the highway. Sec. 42. Limitations on Overtaking on the Left. Except as otherwise provided in this article no vehicle shall be driven to the left of the center of the roadway in overtaking and passing another vehicle proceeding in the same direction unless such left side is clearly visible and is free of oncoming traffic for a sufficient distance ahead to permit such overtaking and passing to be completely made without interfering with the operation of any vehicle approaching from the opposite direction or any vehicle overtaken. In every event the overtaking vehicle must return to an authorized lane of travel as soon as practicable and, in the event the passing movement involves the use of a lane authorized for vehicles approaching from the opposite direction, before coming within 200 feet of any approaching vehicle. (K.S.A. 8-1518)

Ref.: Sec. 40.

Sec. 43. Further Limitations on Driving on Left of Center of Roadway.

- (a) No vehicle shall be driven to the left side of the roadway under the following conditions:
 - (1) When approaching or upon the crest of a grade or a curve in the highway where the driver's view is obstructed within such distance as to create a hazard in the event another vehicle might approach from the opposite direction;
 - (2) When approaching within 100 feet of or traversing any intersection or railroad grade crossing, except that this section shall not apply to any intersection on a state or county maintained highway located outside city limits unless such intersection is marked by an official department of transportation or county road department traffic control device or pavement marking or both indicating that passing is prohibited and such marking is placed at least 100 feet before the intersection; or
 - (3) When the view is obstructed upon approaching within 100 feet of any bridge, viaduct or tunnel.

- (b) The foregoing limitations shall not apply upon a one-way roadway nor under the conditions described in subsection (a)(2) of Section 38, nor to the driver of a vehicle turning left into or from an alley, private road or driveway. (K.S.A. 8-1519)

Sec. 44. No-Passing Zones.

- (a) Whenever signs or markings are in place to define a no-passing zone and clearly visible to an ordinarily observant person no driver shall at any time drive on the left side of the roadway within such no-passing zone or on the left side of any pavement striping designed to mark such no-passing zone throughout its length.
- (b) This section shall not apply under the conditions described in subsection (a)(2) of Section 38, nor to the driver of a vehicle turning left into or from an alley, private road or driveway. (K.S.A. 8-1520)

- (b) A vehicle passing around a rotary traffic island shall be driven only to the right of such island. (K.S.A. 8-1521)

- (a) A vehicle shall be driven as nearly as practicable entirely within a single lane and shall not be moved from such lane until the driver has first ascertained that such movement can be made with safety.
- (b) Upon a roadway which is divided into three lanes and provides for two-way movement of traffic, a vehicle shall not be driven in the center lane except when overtaking and passing another vehicle traveling in the same direction when such center lane is clear of traffic within a safe distance, or in preparation for making a left turn or where such center lane is at the time allocated

exclusively to traffic moving in the same direction that the vehicle is proceeding and such allocation is designated by official traffic-control devices.

- (c) Official traffic-control devices may be erected directing specified traffic to use a designated lane or designating those lanes to be used by traffic moving in a particular direction regardless of the center of the roadway and drivers of vehicles shall obey the directions of every such device.
- (d) Official traffic-control devices may be installed prohibiting the changing of lanes on sections of roadway and drivers of vehicles shall obey the direction of every such device. (K.S.A. 8-1522)

Ref.: Sec. 38.

Sec. 47. Following Too Closely.

- (a) The driver of a motor vehicle shall not follow another vehicle more closely than is reasonable and prudent, having due regard for the speed of such vehicle and the traffic upon and the condition of the highway.
- (b) The driver of any truck or motor vehicle drawing another vehicle when traveling upon a roadway outside of a business or residence district and which is following another truck or motor vehicle drawing another vehicle shall leave sufficient space, whenever conditions permit, so that an overtaking vehicle may enter and occupy such space without danger, except that this shall not prevent a truck or motor vehicle drawing another vehicle from overtaking and passing any vehicle or combination of vehicles.
- (c) Motor vehicles being driven upon any roadway outside of a business or residence district in a caravan or motorcade, whether or not towing other vehicles, shall be so operated as to allow sufficient space between each such vehicle or combination of vehicles so as to enable any other vehicle to enter and occupy such space without danger. This provision shall not apply to funeral processions. (K.S.A. 8-1523)

Sec. 48. Driving on Divided Highways; Left and U Turns; Controlled-Access Highways. No person shall:

- (b) Make a left turn or a semicircular or “U” turn on the interstate system;
- (c) Make a left turn or a semicircular or “U” turn over, across or within any intervening space, physical barrier or a clearly indicated dividing section so constructed as to impede vehicular traffic between roadways on a divided highway, except this subsection (c) does not prohibit making a left turn or a semicircular or “U” turn through an opening provided and surfaced for the purpose of public use for such turning movements;
- (d) Make a left turn or a semicircular or “U” turn on a divided highway wherever such turn is specifically prohibited by a sign or signs placed by the authority having jurisdiction over that highway;
- (e) Drive any vehicle on a divided highway except on the proper roadway provided for that purpose and in the proper direction and to the right of the intervening space, physical barrier or a clearly indicated dividing section so constructed as to impede vehicular traffic between roadways unless directed or permitted to use another roadway by official traffic-control devices or police officers;
- (f) Drive any vehicle onto or from any controlled-access highway except at such entrances and exists as are established by the authority having jurisdiction over such highway;
- (g) Use controlled-access highway right of way for parking vehicles or mobile equipment, or stacking of materials or equipment, for the purpose of servicing adjacent property; or

Article 9. Turning and Starting and Signals
On Stopping and Turning

Sec. 49. Turning.

- (a) The driver of a vehicle intending to turn shall do so as follows:
 - (1) **Right Turns.** Both the approach for a right turn and a right turn shall be made as close as practicable to the right-hand curb or edge of the roadway.
 - (2) **Left Turns.** The driver of a vehicle intending to turn left shall approach the turn in the extreme left-hand lane lawfully available to traffic moving in the direction of travel of such vehicle. Whenever practicable a left turn at an intersection shall be made to the left of the center of the intersection, and any left turn shall be made so as to leave the intersection or other location in the extreme left-hand lane lawfully available to traffic moving in the same direction as such vehicle on the roadway being entered.
- (b) **Two-way left turn lanes.** Where a special lane for making left turns by drivers proceeding in opposite directions has been indicated by official traffic control devices:
 - (1) A left turn shall not be made from any other lane;
 - (2) A vehicle shall not be driven in the lane except when preparing for or making a left turn from or into the roadway or when preparing for or making a U-turn when otherwise permitted by law.
- (c) When official traffic-control devices are placed within or adjacent to intersections requiring and directing that a different course from that specified in this section be traveled by vehicles turning at an intersection, no driver of a vehicle shall turn a vehicle at an intersection other than as directed and required by such devices. (K.S.A. 8-1545)

Whenever a farm tractor or implement of husbandry, and any load on any such vehicle, exceeds the width limitations prescribed by this section to the extent that the width of such vehicle, including any load thereon, exceeds the width of that portion of a roadway on which such vehicle is driven, which is marked as a single lane of traffic, or, if such roadway has not been marked for lanes of traffic, the width of such vehicle exceeds more than ½ the width of such roadway, the driver shall move such vehicle as soon as possible as far to the right side of the highway as is practicable and safe upon the approach of any oncoming or following vehicle and upon approaching the crest of a hill.
- (c) The secretary shall adopt rules and regulations consistent with federal requirements designating safety and other devices which may extend out on either side of the vehicle.

- (2) A farm vehicle may be loaded with bales of hay which shall not exceed 12 feet in width and a height as authorized by K.S.A. 8-1904, and amendments thereto, but vehicles so loaded shall not be moved on any highway designated as a part of the national system of interstate and defense highways, except as permitted under subsection (j) of K.S.A. 8-1911, and amendments thereto. As used in this paragraph "farm vehicle" means a truck or truck tractor registered under K.S.A. 8-143, and amendments thereto, as a farm truck or truck tractor. Such farm truck or truck tractor may be used in combination with any type of trailer or semitrailer.
- (3) Any such vehicles under paragraphs (1) or (2) so loaded shall not be moved during the period beginning 30 minutes after sunset and ending 30 minutes before sunrise. Any vehicle loaded with bales of hay as authorized by the exception in this subsection, with the load extending beyond 8 ½ feet, shall have attached thereto a sign which states "OVERSIZE LOAD" and the dimensions of the sign shall be a minimum of seven feet long and 18 inches high. Letters shall be a minimum of 10 inches high with a brush stroke of not less than 1 2/5 inches. The sign shall be readily visible from a distance of 500 feet and shall be removed when the vehicle or load does not exceed the legal width. Each vehicle shall be equipped with red flags on all four corners of the oversized load.
- (e) The secretary of transportation shall adopt rules and regulations authorizing vehicles to be loaded with two combine headers which exceed the legal width, but vehicles so loaded shall not be moved on any highway designated as a part of the national system of interstate and defense highways, except as permitted under subsection (i) of K.S.A. 8-1911, and amendments thereto, and vehicles so loaded shall not be moved during the period beginning 30 minutes after sunset and ending 30 minutes before sunrise.
- (f) A motor home or travel trailer may exceed 102 inches, if such excess width is attributable to an appurtenance, except that no appurtenance may extend further than the rear-view mirrors. Such mirrors may only extend the distance necessary to provide the required field of view before the appurtenances were attached.

For the purposes of this subsection the term “appurtenance” shall include:

- (1) An awning and its support hardware; and
- (2) any appendage that is intended to be an integral part of a motor home or travel trailer coach and that is installed by the manufacturer or dealer.

The term “appurtenance” shall not include any item that is temporarily affixed or attached to the exterior of a motor home or travel trailer by the owner of such motor home or travel trailer for the purposes of transporting such item from one location to another.

(K.S.A. 8-1905)

Sec. 106. Transportation of Alcoholic Beverage.

- (a) No person shall transport in any vehicle upon a highway or street any alcoholic beverage unless such beverage is:
 - (1) In the original unopened package or container, the seal of which has not been broken and from which the original cap, cork or other means of closure has not been removed;

- (2) (A) In the locked rear trunk or rear compartment, or any locked outside compartment which is not accessible to any person in the vehicle while it is in motion; or
 - (B) If a motor vehicle is not equipped with a trunk, behind the last upright seat or in an area not normally occupied by the driver or a passenger; or
 - (3) In the exclusive possession of a passenger in a vehicle which is a recreational vehicle or a bus, who is not in the driving compartment of such vehicle or who is in a portion of such vehicle from which the driver is not directly accessible.
- (b) Violation of this section is punishable by a fine of not more than \$200 or by imprisonment for not more than six months, or both.
- (c) Except as provided in subsection (e) upon conviction or adjudication of a second or subsequent violation of this section, the judge, in addition to any other penalty or disposition ordered pursuant to law, shall suspend the person's driver's license or privilege to operate a motor vehicle on the streets and highways of this state for one year.
- (d) Upon suspension of a license pursuant to this section, the court shall require the person to surrender the license to the court, which shall transmit the license to the division of motor vehicles of the department of revenue, to be retained until the period of suspension expires. At that time, the licensee may apply to the division for return of the license. If the license has expired, the person may apply for a new license, which shall be issued promptly upon payment of the proper fee and satisfaction of other conditions established by law for obtaining a license unless another suspension or revocation of the person's privilege to operate a motor vehicle is in effect.
- (e) In lieu of suspending the driver's license or privilege to operate a motor vehicle on the highways of this state of any person convicted of violating this section, as provided in subsection (c), the judge of the court in which such person was convicted may enter an order which places conditions on such person's privilege of operating a motor vehicle on the highways of this state, a certified copy of which such person shall be required to

carry any time such person is operating a motor vehicle on the highways of this state. Any such order shall prescribe the duration of the conditions imposed, which in no event shall be for a period of more than one year for a second violation.

Upon entering an order restricting a person's license hereunder, the judge shall require such person to surrender such person's driver's license to the judge who shall cause it to be transmitted to the division of vehicles, together with a copy of the order. Upon receipt thereof, the division of vehicles shall issue without charge a driver's license which shall indicate on its face that conditions have been imposed on such person's privilege of operating a motor vehicle and that a certified copy of the order imposing such conditions is required to be carried by the person for whom the license was issued any time such person is operating a motor vehicle on the highways of this state. If the person convicted is a nonresident, the judge shall cause a copy of the order to be transmitted to the division and the division shall forward a copy of it to the motor vehicle administrator, of such person's state of residence. Such judge shall furnish to any person whose driver's license has had conditions imposed on it under this section a copy of the order, which shall be recognized as a valid Kansas driver's license until such time as the division shall issue the restricted license provided for in this section. Upon expiration of the period of time for which conditions are imposed pursuant to this subsection, the licensee may apply to the division for the return of the license previously surrendered by such licensee. In the event such license has expired, such person may apply to the division for a new license, which shall be issued immediately by the division upon payment of the proper fee and satisfaction of the other conditions established by law, unless such person's privilege to operate a motor vehicle on the highways of this state has been suspended or revoked prior thereto. If any person shall violate any of the conditions imposed under this subsection, such person's driver's license or privilege to operate a motor vehicle on the highways of this state shall be revoked for a period of not less than 60 days nor more than one year by the judge of the court in which such person is convicted of violating such conditions.

- (f) It shall be an affirmative defense to any prosecution under this section that an occupant of the vehicle other than the defendant was in exclusive possession of the alcoholic beverage.

- (g) The court shall report to the division every conviction of a violation of this section. Prior to sentencing under the provisions of this section, the court shall request and shall receive from the division a record of all prior convictions obtained against such person for any violations of any of the motor vehicle laws of this state.
- (h) For the purpose of determining whether a conviction is a first, second or subsequent conviction in sentencing under this section:
 - (1) **Conviction** includes being convicted of a violation of an ordinance of any city, or resolution of any county, which prohibits the acts that K.S.A. 8-1599, as amended, prohibits;
 - (2) Only convictions occurring in the immediately preceding five years shall be taken into account, but the court may consider other prior convictions in determining the sentence to be imposed within the limits provided for a first, second or subsequent offender, whichever is applicable; and
 - (3) It is irrelevant whether an offense occurred before or after conviction for a previous offense. (K.S.A. 8-1599)

{Editor's Note: K.S.A. 8-1599 was not amended in 2021 HB 2137 when amendments were made in Section 32 to K.S.A. 41-2653 to allow the removal by patrons of alcoholic liquor or cereal malt beverages from clubs or drinking establishments. Any opened containers must be securely resealed by licensee or the licensee's employee and placed in a tamper-proof, transparent bag that is sealed in a manner that makes it visibly apparent if the bag is subsequently tampered with or opened. Section 32 also allows the removal of one or more containers of beer, domestic beer and cereal malt beverages that are sold on the licensed premises to consumers and served in refillable and sealable containers for consumption off the licensed premises if such containers: (1) Contain between 32 and 64 fluid ounces; (2) have a label affixed that clearly indicates the licensee's name and the type of alcoholic beverage contained in such container; and (3) are not sold or removed from the premises after 11:00 p.m.}
